

## **“Fall In Love With Your New Home” During Toll Brothers’ Valentine’s Event at Jupiter Country Club**

Toll Brothers, the nation’s leading builder of luxury homes, announces a weeklong sales promotion that culminates in a grand prize drawing of a cruise for two to the Bahamas to be held at Jupiter Country Club. The event will kick off on Valentine’s Day, February 14 and last through February 21.

Many other special incentives for home buyers will highlight the week’s sales event at Jupiter Country Club, Toll Brothers’ exclusive Greg Norman Signature Golf Course community in Palm Beach County. According to Richard Charlton, Senior Project Manager at Jupiter Country Club, “We want new home buyers at Jupiter Country Club to truly fall in love with their new home. And our Valentine’s Week event is a fun way to reward buyers with substantial savings.”

Some examples of the weeklong special savings include granite countertops in all bathrooms, granite master tub deck plus marble main living areas at no extra cost. Additionally, select home sites within the Jupiter Country Club Heritage Collection will be offered with no home site premium during this week.

With interest rates remaining at historical lows, Jupiter Country Club will continue to offer buyers special financing programs, spectacular sales incentives and extraordinary pricing that was announced earlier this year. All single-family homes include a full golf equity membership and all townhomes include with a club membership at no extra cost.

Jupiter Country Club townhomes are now offered from the low \$400,000s and single-family homes are offered from the mid \$800,000s. The community’s fitness and health center, *The Palestra*, is scheduled to open in March, and will offer state-of-the-art Matrix fitness equipment, separate aerobics room, casual bar and grill, two resort style swimming pools and six Har-Tru tennis courts. The 18-hole Greg Norman Signature Golf Course is completed and open for play.
